VINCENT TIMBER SHOWS ITS COLOURS WITH NEW SEMI-TRANSPARENT FINISHES

Vincent Timber, the UK's leading specialist supplier of timber cladding and decking solutions with Cape Cod and their coating partner PPG has developed a new range of semi-transparent exterior coatings that transform the appearance of exterior timber by accentuating the natural grain. Offering increased longevity, durability and an aesthetic that lasts, the new system is available in eight stunning colours - Hickory Smoke, Island Sand, New Forest, Bedford Brown, Annapolis, Cape Cod Cedar, Chalet Brown and Redwood.

This range of colours is available in all profiles and trims, with colour matching nails.

Combining the protection of a solid colour with the appearance of a semi-transparent stain, our new exterior finishes deliver a number of benefits that are clear to see:

- **100%** waterbased acrylic latex
- **Improved** overall consistency
- **Maximum** UV performance
- **A wide range** of colours available
- **Excellent** colour retention
- **PEFC** certified
- **8 year** warranty
- **Natural** look
- **Attractive** colour range
- **Treated** timber
- **Wide range** of profiles
- **Minimised** maintenance
- **Factory coated** systems

To request a sample of this new range of semi-transparent finishes, call our sales team on

0121 772 5511 or email us at sales@vincenttimber.co.uk
